Josh Hannell started with the Ashgrove Junior program in 2015, and played his first competition at the inaugural Pewee Pennants tournament last October. After playing at the Bribie Island Junior Open in February he has been very determined to work on his game and improve from week to week. Josh is a very energetic, bright and funny young man who always has a smile on his face and has made a lot of friends in our junior squad. Josh is starting to find his talents by improving his distance and accuracy and getting more finesse around the greens. In May Josh was part of the first junior bus trip to Woodford Golf Club. It was a very rainy day and to everyone's credit, not one junior pulled out early or complained about getting too wet! In July Josh made the one and half trek to Kilcoy Golf Club with five other Ashgrove juniors to play in round three of the Glasshouse Mountains Futures Tournament. Josh had a fantastic day and won the nett 9 hole competition with a great score of 48 gross/28 nett. Congratulations for your tremendous effort lately in improving your game Josh, and your hard work not gone unnoticed. Well done for becoming our second winner of the Golden Boot Award and best of luck for more success in the future!
